Some local restaurants we love and partner with!

- **Catered Taco Box** - Proudly offering catering by our neighbors, Bull Street Taco. Their inspiration comes from the simple joy of a great taco. They think a good place to start is with the tortilla, so they serve certified organic masa and flour tortillas made from scratch. From there they source the freshest ingredients using local farmers and vendors when possible. Lastly, they craft their tacos using time-honored traditions, adding a little of their own funky style here and there. (MKT)

- **Big Bon Bodega** - Stemming from the concept of a “mom and pop shop, corner store, or bodega”, Big Bon Bodega was born. Their bagels are hand-rolled, boiled in honey water, and wood fired. Multiple bagel and topping selections available. Local favorite! (MKT)

- **Nom Nom Poke**- Japanese Poké Shop - Poké Bowls Made to Order - Fresh & Responsibly Sourced Ingredients (MKT)

- **Savoy Society Charcuterie Board**- three meats, two cheeses, pickled and fresh veggies, house made bread, really yummy

Kindly note that all our packages are fully customizable to suit your event's needs. Should you require any additional add-ons not listed above, please don't hesitate to inform us, and we'll gladly accommodate your request!
